INDUSTRIAL STRENGTH COATINGS

**Tough coatings
for tough
environments.**

Exclusively at **MENARDS®**

INDUSTRIAL STRENGTH COATINGS

Our complete line of Industrial Strength Coatings can help you keep plant facilities safe and running smoothly. Formulated for extreme adhesion to steel, aluminum, galvanized and other surfaces. They are ideal for protecting interior and exterior substrates from the corrosion, abrasion, thermal, chemical and ultraviolet (UV) degradation that are common parts of harsh industrial environments.

P801 **Acrylic Prime & Finish**

- 100% Acrylic
- Direct-to-metal (DTM)
- Self-priming flat finish
- Excellent exterior durability
- Outstanding adhesion
- Flash-rust, corrosion and chemical resistant
- Brush, roll or spray
- Available in 1-gallon and 5-gallon sizes

P851 **Alkyd Rust Control Metal Primer**

- Phenolic Alkyd
- Direct-to-metal (DTM)
- Flat finish
- Dries fast and inhibits rust
- High film build
- Superior corrosion and chemical resistance
- Brush, roll or spray
- Available in 1-gallon and 5-gallon sizes
- MPI #79

8000 Series **Acrylic High Gloss**

- 100% Acrylic
- Direct-to-metal (DTM)
- High gloss finish
- Outstanding adhesion and gloss/color retention
- Flash-rust, corrosion, chemical and abrasion resistant
- Brush, roll or spray
- Available in 1-gallon and 5-gallon sizes
- MPI #154

8500 Series **Alkyd Gloss**

- For metal surfaces only
- Direct-to-metal (DTM)
- Gloss finish
- Tough, hard, durable finish
- Corrosion, flash-rust, chemical, chip, flake and abrasion resistant
- Brush, roll or spray
- Available in 1-gallon and 5-gallon sizes
- MPI #96

9400 Series Acrylic Gloss Floor Enamel

- Acrylic
- Gloss finish
- Hard, ultra durable and dries quickly
- Excellent adhesion
- Superb mar, impact and abrasion resistance
- Brush, roll or spray
- Available in 1-gallon and 5-gallon sizes

9500 Series Acrylic Flat Black Water Base Paint

- Acrylic
- Flat finish
- Excellent hide and superior touch-up
- Outstanding scrubability
- Ideal for room darkening or as an accent color
- Brush, roll or spray
- Available in 1-gallon and 5-gallon sizes

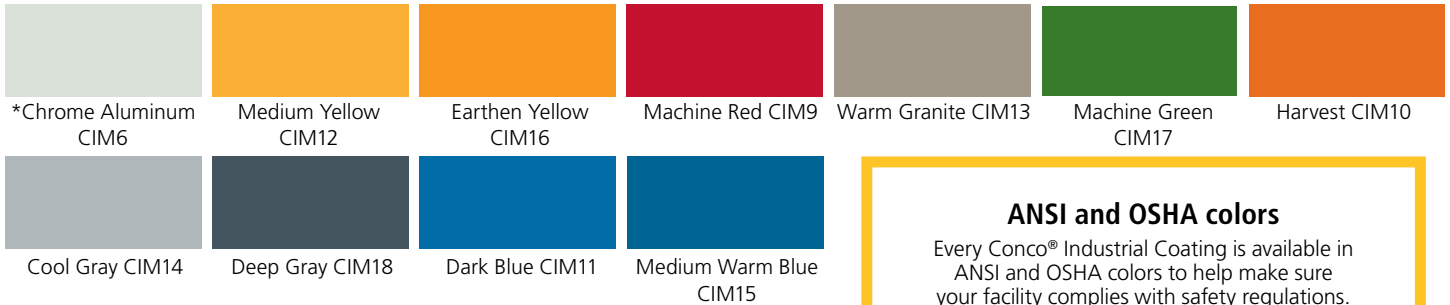

9600 Series Traffic Marking Paint

- Acrylic
- Flat finish
- Ready to use and fast-drying
- High-visibility colors
- Water cleanup
- Available in 1-gallon and 5-gallon sizes
- MPI #97, GPS-1
