The right primer for any surface
No matter what kind of surface you are working with, Conco® Paints has just the right primer to help you get the job done quickly.

Our exceptional products are available exclusively at over 300 Menards® locations. When you buy Conco Paints, you get professional service from people who know how to get the job done. With the Professional Paint Program, Conco Paints and Menards® can help estimate jobs, custom match any color, deliver products to your job site and do whatever it takes to help you finish your project on time and on budget.

Call 1-888-388-2426 or visit concopaints.com and find out what Conco Paints can do for you.

INTERIOR & EXTERIOR PRIMERS

Before applying a topcoat to a new or previously painted surface, proper preparation is essential. Conco® Paints offers a complete line of top-quality primers, sealers and surfacers that can enhance the overall job outcome. Each product is formulated for specific substrates and conditions to maximize topcoat adhesion while blocking stains, masking drywall imperfections or inhibiting rust.

INTERIOR

- PURE**
Acrylic Latex Paint & Primer
- Excellent hide
 - Seals porous surfaces
 - GREENGUARD Gold standards for low chemical emissions
 - Ideal for drywall, plaster and repaints
 - For interior commercial and residential properties, health care facilities and schools
