THE PROFESSIONAL PAINT PROGRAM

Exclusively at Menards

EXPANDED ASSORTMENT FOR PROFESSIONAL QUALITY PROJECTS START TO FINISH.

The Conco® Professional Paint Program now includes CLASSIC ONE® Paint from Dutch Boy®

Trust your projects – and your business – to professional-grade products from names you trust and service that understands how to get the job done.

QUALITY PRODUCTS

We continue to offer a complete line of top-notch primers, tough topcoats and specialty products from Conco. Now complete the job with new Dutch Boy® Classic One® interior paint for high-end residential projects where it's important to leave behind a name homeowners trust.

FACTORY FIELD REP SUPPORT

Experienced representatives can help you get the job done before you even start. We'll visit your jobsite and help estimate the job, recommend products, provide specs and do whatever else it takes to make your work easier.

JOBSITE DELIVERY

You say when and where, and we'll deliver right to your site seven days a week.

CUSTOM COLOR MATCHING

When you need a color not in our current collection, just ask. We'll custom match it at Menards. Then we'll keep the color on file to guarantee a perfect match should you ever need to order that color again.

COMMERCIAL CREDIT

Big jobs often require more cash than you have on hand, so Menards offers several financial options: our Big Card, Contractor Card and Commercial Account. One of them is sure to be right for you.

FILE MANAGEMENT

We record paint colors and quantities by job so, if you need more, you can reorder quickly and get back to work. This is productivity mastered!

Competitively priced from the first gallon purchased.
