Pro Technology...Engineered For The Job®

## TEXTURE PAINT

### Ideal for a variety of applications

- Residential Repaints
- Property Management
- Hospitality
- Commercial and Institutional Settings

Great for rough, damaged or imperfect surfaces, ProTex™ Texture Paints offer an affordable and convenient solution in wall beautification. Our Smooth, Sand, Coarse and Sand Float textures make it easy to give uneven walls and ceilings a decorative texture finish without trying to make them perfectly smooth. While popular in hospitality and commercial settings, these paints can be used for practically any application.

#### **ProTex™ Sand Float Finish 9700 Series**

Sand-like finish that helps hide nail holes and other minor surface imperfections.

#### **ProTex Sand Texture Paint 9710 Series**

Can be rolled or sprayed to provide a granular texture finish.

Our exceptional products are available exclusively at over 300 Menards® locations. When you buy Conco Paints®, you get professional service from people who know how to get the job done. With the Professional Paint Program, Conco Paints and Menards® can help estimate jobs, custom match any color, deliver products to your jobsite and do whatever it takes to help you finish your project on time and on budget.

#### **ProTex Smooth Texture Paint 9720 Series**

Creates a fine-grit, decorative texture finish on surfaces to be topcoated.

#### **ProTex Coarse Texture Paint 9730 Series**

Provides a rough, dense texture finish that helps hide wallboard, tape joints and nailheads.
